

Connect With the Solar Industry's Top Employers

VETERANS SOLAR INDUSTRY VIRTUAL CAREER EXPO

APRIL 7 | 1-3 P.M. EST

The solar industry is growing fast, and solar employers nationwide are eager to recruit military talent to help lead the way to a brighter future. From construction and electrical roles, to project management, operations, communications, and more, the solar industry offers a tremendous range of opportunities for diverse skills and interests.

Join us at the Virtual Solar Career Expo, which will offer military-connected job seekers a unique opportunity to network with top solar employers and explore open positions!
